Topic Area	PACE Regulations	PACE Protocol
<p>Medicare payment to PACE organizations ' 460.180</p>	<p>The regulations describe the principle of payment, in that HCFA makes a prospective monthly payment (capitated for each Medicare participant in a given service area) to the PACE organization.</p> <ul style="list-style-type: none"> * The monthly capitation rates are to be adjusted by frailty factors necessary to ensure comparability between PACE and reference populations. *The regulations specify how the capitation rate is determined, and that adjustments for actual participants will be made. *The regulations also specify that HCFA will not pay for services for which Medicare is not the primary payer. The PACE organization has the responsibility for identifying which payers are primary to Medicare, determining amounts to be paid, and charging those payers 	<p>The protocol describes the monthly capitation rate as equal to the Adjusted Average Per Capita Cost calculated by HCFA adjusted by necessary frailty factors.</p> <ul style="list-style-type: none"> * The capitation payment is fixed, regardless of changes in the participant's health status. * HCFA procedures for accretions and deletions, payment mechanism, cost finding, and risk sharing are included in the PACE contract * The PACE provider shall accept the capitation payments as payment in full and not charge HCFA or the participant, except for the private pay premium.
<p>Medicaid Payment ' 460.182-184</p>	<p>The regulations state that the State administering agency shall make a prospective monthly payment to the PACE organization capitated on the number of Medicaid participants in the service area.</p> <ul style="list-style-type: none"> *The amount of this fixed payment is negotiated between the PACE organization and the State agency, may be renegotiated annually. *The PACE organization must accept this payment as payment in full for any Medicaid participant. 	<p>The protocol states that the monthly capitation payment is negotiated between the PACE provider and the State Medicaid Agency.</p> <ul style="list-style-type: none"> * The capitation payment is fixed and adjusted annually. *The PACE organization must accept this payment as payment in full for any Medicaid participant.
<p>PACE Premiums ' 460.186</p>	<p>The regulations limit the monthly premium a PACE organization can charge a participant:</p> <ul style="list-style-type: none"> * Medicare Parts A and B: premium 	<p>The protocol lists private pay premiums as follows:</p> <ul style="list-style-type: none"> * Medicare only: premium equal to
